Calculus 1

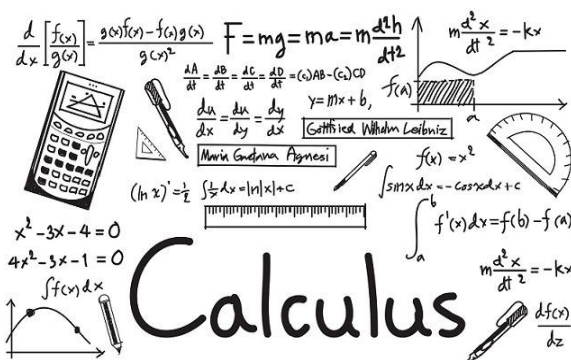

Onto functions: A function $f:A \rightarrow B$
is ONTO if for every element $b \in B$
there exists at least one element $a \in A$

Another horizontal line test: If, for each $b \in B$,
the horizontal line $y=b$
intersects the curve $y=f(x)$
at least once then the function is onto B

Polynomials. A function f
is polynomial if it has the form
 $f(x) = a_n x^n + a_{n-1} x^{n-1} + \dots + a_2 x^2 + a_1 x + a_0$
where $a_i \in \mathbb{R}$
The domain of every polynomial function is \mathbb{R}

Rational Functions. A function f
is rational if it is the ratio of two polynomial
functions; i.e there exist two polynomial
functions P and Q such that $f(x) = P(x)/Q(x)$

Community Support

"I love how the CGM feature in this app helps me stay on top of my blood sugar levels effortlessly!" - Sriya

"The support groups here have been a lifeline for me. It's so comforting to connect with others who truly understand what I'm going through." - Grace

"I've learned so much from fellow users here! One tip I swear by is to always carry a healthy snack with me to prevent blood sugar spikes." - Sadbh

"Exercising regularly has been key for me in controlling my blood sugar levels. Thanks to the workout routines recommended here, I've found a routine that works for me!" - Roro

Terms of service

Use of the App

1.1. License: Subject to these Terms, we grant you a limited, non-exclusive, non-transferable, revocable license to use the App for your personal, non-commercial use.

1.2. User Conduct: You agree to use the App in compliance with all applicable laws, regulations, and these Terms. You shall not:

Use the App in any manner that could interfere with, disrupt, negatively affect, or inhibit other users from fully enjoying the App;

Use the App to transmit any viruses, worms, defects, Trojan horses, or any items of a destructive nature;

Attempt to gain unauthorized access to the App or its related systems or networks.

2. Intellectual Property

2.1. Ownership: The App, including all content, features, and functionality thereof, are owned by us or our licensors and are protected by copyright, trademark, and other intellectual property laws.

2.2. Use of Content: You may not reproduce, distribute, modify, create derivative works of, publicly display, publicly perform, republish, download, store, or transmit any of the material on our App, except as permitted by these Terms or with our prior written consent.

3. Privacy Policy

By using the App, you acknowledge and agree to our Privacy Policy, which governs the collection, use, and disclosure of your personal information. Our Privacy Policy is incorporated into these Terms by reference and can be accessed [insert link to Privacy Policy](#).

4. Limitation of Liability

4.1. Disclaimer: THE APP IS PROVIDED ON AN "AS-IS" AND "AS AVAILABLE" BASIS, WITHOUT ANY WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED.

09:52 AM

Privacy Policy

1. Information We Collect

1.1. Information You Provide: When you use the App, we may collect personal information that you provide to us, such as your name, email address, university affiliation, health information, and any other information you choose to provide.

1.2. Automatically Collected Information: We may also automatically collect certain information when you use the App, including your device information, log data, usage data, and location information (if you enable location services).

2. How We Use Your Information

2.1. Provide and Improve the App: We use your personal information to provide, maintain, and improve the App, including to customize your experience, analyze usage trends, and diagnose technical issues.

2.2. Communicate with You: We may use your personal information to communicate with you, such as to send you service-related announcements, updates, or promotional materials.

3. How We Share Your Information

3.1. Service Providers: We may share your personal information with third-party service providers who help us operate the App, such as hosting providers, analytics providers, and customer support providers.

3.2. Legal Compliance: We may disclose your personal information if required to do so by law or in response to valid requests by public authorities (e.g., court orders or subpoenas).

The App is not intended for use by children under the age of 13. If you are a parent or guardian and believe that your child has provided us with personal information, please contact us to request deletion of the information.
